Sir:

Responsive to the initial Office Action of January 5, 1995, having a three-month shortened response period for which an additional response month has been petitioned, please amend the above-captioned application as indicated below:

IN THE CLAIMS:

Please amend the following claim:

*Subj* 1. (Once amended) A window covering comprising:

*A* two panels having inner vertical edges which may be overlapped with each other, each said inner vertical edge including a hem, each said hem formed by folding over the edge and stitching along a vertical line so as to leave a channel formed between the hem and an opposing portion of the panel, the vertical stitching line of each said panel including [a] at least one gap formed at at least one location along said stitching line so as to leave [an] at least one opening into said channel; and
